### Cordless Bathroom Button

PART No. RC-FOB43301L-W

PRICE AUD \$245.00(including 0 % tax)

GST \$22.27

INQUIRY DATE 28 Apr 2024

The Cordless Bathroom Button is a durable wireless switch, designed to be used in situations where a traditional wired switch is unsuitable or inconvenient. It has been designed to be used in areas of high humidity and moisture. i.e bathrooms.

The Cordless Bathroom Button has a robust, durable and splash proof case to ensure reliable and consistent switch activation with a wireless range of up to 30 meters. (Radio range is subject to local environmental factors)

The Cordless Bathroom Button is particularly suited for:

Call Systems, including bathroom button

Door activation

The transmitter is paired with a compatible Technical Solutions Call Buzzer Receiver or Radio Switch Link Receiver, (supplied separately) which can be a switch link, call buzzer, door control device or other custom equipment.
